Easy, Effective Control of Dollar Spot, Other Turf Diseases

Keith Kruger, golf course superintendent at Acoaxet Club in Westport, Mass., uses the StressGard™ Formulation Technology product portfolio and is happy with the results. This past year was one of the toughest seasons he'd seen in years, but he successfully survived with a complete StressGard FT program on his greens.

Tartan Fungicide for Summer Patch Management

Information from the Bayer Environmental Science Development Team about using Tartan® fungicide for summer patch management.

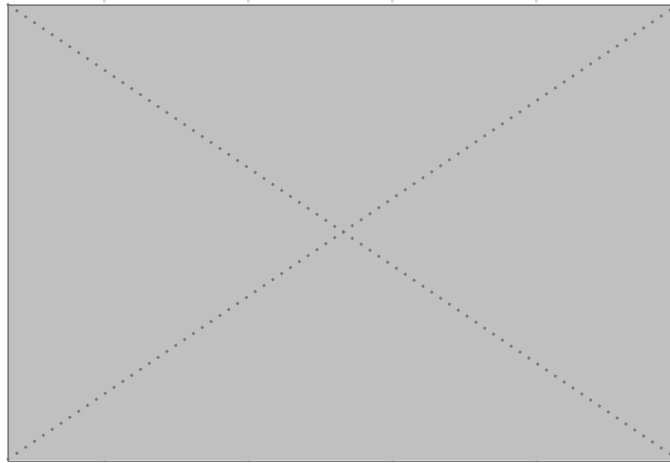

[Download White Paper](#)

The Grass Is Always Greenery

When Chad Stilley took a summer job in the lawn care business, he never anticipated that a career would eventually result. Stilley began the job to pass the time as he tried to decide where his next steps would lead him.

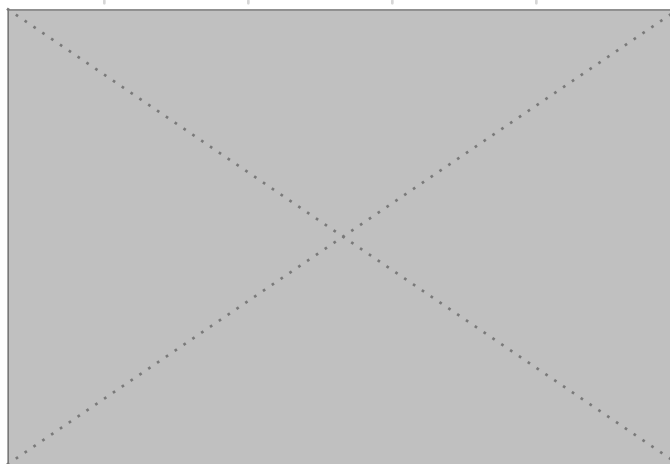

But in Charleston, S.C., the sun shines more than the rain falls, and Stilley has found his true passion working outside on golf course greens. Now an area supervisor at The Greenery in Charleston, South Carolina, Stilley celebrates 14 years in the lawn care industry and says he doesn't see himself leaving the business anytime soon.
