About Us

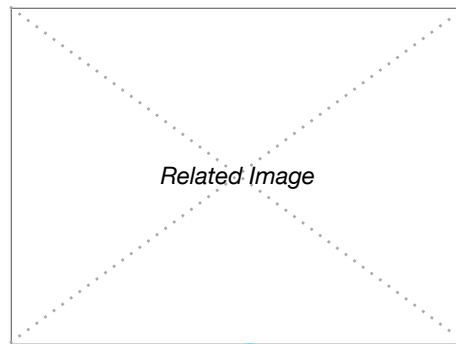

CareSpot Express Healthcare, formerly known as Solantic, was founded in 2001 and has become one of the fastest-growing healthcare providers in Florida.

The name has changed, but our mission remains the same: to provide our patients with convenient, fairly priced healthcare.

We offer walk-in medical services at more than 30 convenient locations. CareSpot medical teams provide urgent and preventive care, in addition to travel medicine and occupational health services. Prescriptions are available on-site and CareSpot accepts most major insurance, in addition to cash and credit card payments.

Most of our clinics are open seven days a week with extended night and weekend hours. Best of all, you don't need an appointment to get the help you need. Simply walk in, call in or reserve your spot online – we'll call you when it's your turn. At CareSpot, you will get in, get out and get better in no time.
